

- **Accurate meter readings are very important!**
Your bill may be affected if you don't provide the correct meter readings!

Reading Meters on Your Canon Color Copier

1. Press the "Counter Check" button, which is a physical button on the copier's front panel.
2. Read the lines for "109" (BW) and "409" (color)

EXAMPLE PHOTO
For most models,
"Counter Check"
button is close to
the Start Key!
